Barcelona, Spain

www.iaascongress2015.com

The International Association for Ambulatory Surgery, IAAS, will be holding its 11th Congress in Barcelona from 10th to 12th May 2015. We, as Member of IAAS, will be able to participate, along with other nations, at concessional rates. With the benefit of advance booking, we could take advantage of cheaper air-Tickets and Hotel bookings.

I would urge everyone to prepare a presentation on whatever work you are doing on Day Surgery, and present it during the Congress. If there is any help required for the preparation, do not hesitate in asking, I will be more than happy to help. Below are the slides I have received from the organizes for you to see and give a thought.
